Sl No	Consultants Queries	Replies
1	There is no mention of the project cost in the RFP Document.	Project cost is Rs. 100.00 Cr.
2	Till Date as practice in clause 3.3 (b) the annual turnover used to 2 times the amount kept for PMC so in this case turnover should have been 165 lakh approx., however turnover is asked as 40 lakhs.	To ensure more participation of technically qualified consultants for this specialized work, relaxation is required. There is no change in this condition.
3	This would lead to quoting of Freak rates as the consultants are not aware of the project cost and may think the project cost in 2000.00 Lakh based on the turnover asked in RFP.	Replied in serial no (1)
4.	Decrease in the annual turnover may lead to participation of ineligible consultants.	Replied in serial no (2)
5.	Also in clause 3.3 (c) it is asked consultant should have wok done of 40% of estimated cost of work. But however estimate cost is not mentioned. Also this is against the usual practice of asking 50% of work done.	Replied in serial no (1)
6.	Till date as practice in Clause 3.3 (a) minimum years asking but this tender showing "The Consultancy firm/company should have been involved in the Civil Engineering Consultancy services for minimum 7 years. In support of this, the Consultant shall furnish tax registration certificate along with the technical proposal.	The Project Cost is Rs.100.00 CRs Minimum of 7 years' Experience is required. The condition is retained
